I oppose HR 4026. I pay for my XM Radio each month and I have found that what XM is broadcasting is VERY helpful to me since I drive an 18 wheeler cross country. I don't feel that the NAB should dictate to me or anybody else what we can and cannot listen to.

I urge the FCC to REJECT the NAB'S PETITION 04-160 AND TO SUPPORT XM'S ability to provide the kind of programming that I want and deserve.
